486 Thomas Jones Way, Suite 200  
Exton, Pa. 19341

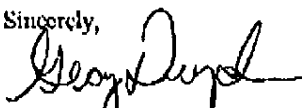

Dear Jim:

Miller & Hartman Inc. was recently awarded a contract to supply the New York City prison facilities with cigarettes for a one year period commencing January 1, 1997, and ending December 31, 1997. For your information, I have enclosed a list of the commissaries to which delivery will be made. The contract has provisions for 54,000 cartons to be shipped. Considering information we have obtained, it is our expectation the volume will be significantly greater, thereby offering us and our manufacturing partners an opportunity to sell a substantial quantity of product.

As part of the contract, Miller & Hartman agreed to lock the prices at current levels for the duration of the contract. At this time, we are seeking to partner with cigarette manufacturers who will agree to freeze their price to us at current levels through December 31, 1997, on those products that are shipped to the attached commissaries. The brand that you manufacture that we would like to ship under these terms is Winston.

Please contact me as soon as possible as to how we can proceed to accomplish the above objectives. My phone number is (717) 397-8261, extension 230 and my fax is (717) 295-9008. Thank you for your prompt response.

Sincerely,

  
George Dvoryak, Controller
